

Unlock Value. Reduce Manager Count. Manage Tax & Regulatory Risk.

Liquid Realty became the global leader in real estate secondaries by listening closely to LPs and discreetly satisfying their liquidity needs. We have acquired over \$1 billion in real estate private equity interests, and field the largest and most experienced real estate secondaries team. We buy interests in all types and stages of real estate funds, partnerships, trusts, joint ventures, properties and portfolios in markets around the globe. *Our daily goal is to be your first call for liquidity in your real estate private equity portfolio.*

The Real Estate Secondaries Firm
